If a camper becomes ill, the parents will be contacted to come for the child. In case of an emergency injury or illness, the camp administration will use their judgment about taking the child to a local physician or hospital. In accordance with our insurance the camper will be transported by ambulance. In general, accidental injuries are covered by camp insurance after any insurance you may have has paid.

### **MEALS**

Campers will enjoy well balanced meals and snacks prepared and served by an excellent kitchen staff. Three meals a day and snack will be provided so additional snacks are not necessary.

All campers should maintain a Christlike attitude throughout camp, displaying traits such as obedience, integrity, kindness, and respect.

### **ATTIRE**

All articles of clothing should be appropriate for a church camp atmosphere. Please use best judgement when packing, any dress code issues will be determined by camp director. Tennis shoes and socks are recommended for activities, closed toes shoes are required for all non swimming activities. Swim suits must be covered to and from swimming.
