TWIN RIVERS BAPTIST ASSOCIATION NEWS

AUGUST 2019

It's a very busy summer with our 6 camps just wrapping up. We had over 225 kids attend camp again this year. With over 90 at Lourtre Valley and over 130 at Redemption Ranch. That is 3000 meals prepared by our volunteer kitchen staff. A big thanks for all that helped out in any way. At our girls camp at Redemption Road 2 girls made a decision for Christ and one was baptized at camp on Friday morning and the other was baptized at the camp Sunday with her church. A big thanks to Rev. Chad Hodges as this was his last time directing our boys camp. He has served faithfully for many years at camp.

God Bless, Brent L. Campbell

The 2019 World Changers to Angleton/Dickinson, Texas would like to thank the association for their support and prayers. You had a part in 9 salvations, 11 rededications and 30 gospel presentations. Over 120 participants came together to be the hands, feet, and heart of Christ, changing lives as our lives were changed. After long, hot days of work, we were refreshed by the shower of blessings we received during the evening worship services each night. Our monetary of offerings over \$600 will be used in the Operation Backpack mission outreach. We went, we gave, and were greatly blessed to serve. We are looking forward to serving in Henderson, Kentucky the third week in June, 2020. Join us in Kentucky and share in the challenges and blessings that await!

Custodial Help Wanted

Disaster Relief needs your help!

There are many needs for our Disaster Relief lately within our state and across the United States. We have many ways to help those in need however it is not much good if the volunteers are not there to work.. Please prayerfully consider be on MISSION with us through Disaster Relief. It is quite rewarding helping those who are so desperately in need. Many Hands Make Lite Work. We hope to hear from you contact our Office to inquire.
