Bits from Brent

If the you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. Set your minds on things that are above, not on things that are on earth. Colossians 3:1-2. Summer is here again as Memorial Day marks the start of summer and the business of this season kicks off it's easy to get caught up in all the activities of summer, remember to stay focus on Christ.

Most of our Churches are busy planning VBS as well as other summer activities. Planning is also underway for all six of our camps. Three at Loutre Valley and three at Camp Derricotte. Girls and Boys camp is for kids that have graduated 3rd grade thru 6 grade. Youth camp is for 7-12 graders. There is still time to get signed up for a camp if you have a child or grandchild who would like to attend a Christian camp this summer. Still one of the best buys around, contact our office if interested.

I want to encourage you to support the Strawberry Festival on Saturday June 3rd at FBC Arnold. What a great event to benefit the Missouri Baptist Children's Home. Many of our churches have helped out in the past and I hope you all will again this year.

Congratulations to Starhope Baptist Church in Elsberry celebrating 150 years Saturday, June 24th with events going on all day.

A couple more big events going on for the Twin Rivers Baptist Association at the end of the summer. On Sunday, August 13th several of us are heading out to Washington D.C./ Virginia area to spend a week helping churches there. With 194 nations represented in the Capitol area the world has come to us. Open spots still available for those wanting to travel to the East coast to do Mission work. Just give me a call.

And finally on Sunday night August 27th, 6:00 pm at Fellowship Baptist Church, in Warrenton we are having an Associational Music Night. We are asking churches to come in and do a couple songs. This can be a solo or choir or anything in between.

God Bless, Brent L. Campbell

**Please plan now to bring a group to help with
