CHURCH PROFILE

The Middletown Baptist Church was established in 1851 and sits in a rural farming community: the population of the town is 171, however, most of our members are from outside city limits and several surrounding towns. The church is on State Highway 161. Middletown also has a Christian and a Methodist church.

Prior to our pastor of 4 years leaving in retirement, the worship service averaged 30 and Sunday School averaged 14 in attendance. The congregation is made up of many occupations i.e.: laborers, managers, veterinarians, farm workers, craftsmen, homemakers, service workers, retirees, etc. We also have a full range of age demographics from 6 months to 88 years

The church contributes to the Twin Rivers Baptist Association located in Wright City, MO. And the state cooperative program.
